Hello Thane,

Robert asked me to raise a question of coding the additional security needed for camera tests scheduled from Thursday.

The days are:
Wednesday from 8PM to approx. 8AM
Thursday from 8PM to approx. 8AM
Friday from 8PM to Monday morning approx. 8AM
On Monday the security moves to another location until Tuesday morning.

Since we do not have a code for these extra locations, we would like to ask what code we should use. Please advise.

Thanks.

Thanks

Thank you

We will ask accounting for code #

I believe it is in a Unit facility budget, not the location budget. We can issue a PO if it is needed, and we will send it to the unit. Correct?

Have a nice day

On Monday the test is done and the gear goes into the camera truck and goes to where our tech trucks are parking.
