Metenkanych, Bohdan (Location Coordinator) 29 April 2024 19:13:10 BST

The price has increased due to the additional request of the owner to repair a concrete stairwell which was taken down during the prep of the location.

Metenkanych, Bohdan (Location Coordinator) 20 May 2024 13:12:50 BST

Amended based on real costs. Changed supplier. Contract in attachment.

Watkins, Thane (Executive Producer) 23 May 2024 00:00:21 BST

7,000 for a concrete seems excessive, no?

Mehrle, Robert (Supervising Location Mgr) 23 May 2024 06:47:36 BST

It is not only concrete; it is a staircase repair, a cut for a drive through the tunnel, and other works. We spent 2 weeks sourcing suppliers and receiving quotes for these works, as Mato Cutka has all the email chains and quotes. It was from 8k to 12k. In the end, it was cheaper to make a deal with the owner for a lower price, and he will do it by his employees.
