Hi guys. This is a contained location in private property. When we are doing prep/wrap the most we should need here is 1 guy each night and on weekends if we aren't working. Would shouldn't need daytime prep/wrap security and at night we should have 1 guys who is walking around

Patrick, Horvath (Sr. Location Manager) 30 April 2024 09:36:48 BST

Again, inside of this facility are multiple companies renting their storages, also a gas station for agro vehicles, clients of the companies and movement of machinery. I think one person is not capable to cover such a big area. I would recommend to have at least 2 during day/night. Thank you.
