Watkins, Thane (Executive Producer) 30 April 2024 07:14:13 BST

Please review your days to match our schedule. Also this feels heavy for the prep days leading up to the shoot, please consider reducing some there

Mehrle, Robert (Supervising Location Mgr) 30 April 2024 15:05:33 BST

I have uploaded maps with positions for security guys and also art department plans of set dressing. We are in the real downtown, surrounded by nightclubs and bars. I also uploaded a breakdown of the security guys, and we adjusted it accordingly to the prep plan. We can always reduce it, but it might jeopardize the props and graphic work we are doing on all shop windows. Security is also increased because we have additional exterior rehearsals at Saturday morning and it affect Art department work as well

Metenkanych, Bohdan (Location Coordinator) 2 May 2024 17:42:34 BST

Amended after security meeting yesterday. The original count stays as it was due to the location being in the city centre.
