Security at Unit Base during the shoot at Pohranice

Hello Thane,

I would like to ask you if I can proceed with ordering additional security at Unit Base which we are missing for our location:

113 - Pohranice Farm

The reasoning behind it is, that after the change of our Unit Base from being near Pohranice Farm, to staying at the Pohranice Quarry Unit Base, we need to add at least one day and one night shift from this Thursday until Sunday and next week's Saturday.

This is because after the security meeting we only have 1 day and 1 night shift for the whole area between dates 9/5/2024 - 12/5/2024. We can leave this 1 security to stay at the farm to guard cranes which are going to be rigged on Thursday, guard Art Dpt. decorations and guard picture vehicles which will come on Sunday.

But this would mean that our Unit base would not have any security during the 4 days hiatus in the above mentioned dates.

The minimum would be to add 1xday and 1xnight shift according to this table:

Additional security

Moved from Pohranice Farm

We will move the security which was originally meant for Pohranice Farm Unit Base (marked in orange square) so that we have it covered during the shoot - so no additional cost there.

The total cost for additional security would be: **1422 EUR + VAT**

Let me know if I can order it and issue the PO.

Thanks,

BM
