Ahoj Dusan,

zavazne si objednavame stavbu mobilnej cesty pod zeriav v lokalite Sranecke piesky / Plavecky Mikulas, podla poziadaviek, ktore ti posielal kolega Dusan Legersky.

V prilohe posielam tvoju CP a materialy od Dusana.

GPS lokacie: https://maps.app.goo.gl/HsM7P2DcboJuc3wXA

Instalacia cesty musi prebehnut 21.5., tak aby bola 22.5. uz pripravena na priparkovanie zeriavu.

Budete radsej potrebovat absolovovat predtym nejaku obhliadku? Budem hladat niekoho na vyrovnanie terenu, bolo by mozno fajn ak by sme sa tam isli vsetci spolu pozriet - ja, ty, Dusan, dotycny co bude zrovnavat teren, aby sme si povedali co treba.

Kolega dnes vystavi interne objednavkove cislo, ktore ti zasleme do textacie vasej faktury, vo fakture musi byt taktiez uvedeny nazov projektu - AFTERBURN.

Prosim o potvrdenie.

Dakujem pekne.

Mobile road for crane in Šranecké piesky (PILE UP)

Správ: (4)

Hello,
I'm writing to inform you about the mobile road for the crane at the Špranecké sandy site.
The crane is to be placed 20m from the road (back of the crane). I am attaching a picture of the position of the crane.

We need to build a mobile road to get it there as there is sand on the site and the crane would fit in. In Slovakia this is done exclusively by one company, if we are talking about a road to hold a 72 tonne crane.
The cost of the 40m of road that is needed is **5000€,** the price includes the rental, transport and folding of the road.
The price **does not include the landscaping**, which needs to be done anyway in order to be able to store the road on site.

I would like to ask, through whose budget could this action be implemented and a statement of the location, whether they can provide landscaping for the road?
They would start laying the road on the 21st of May, by then the terrain would also have to be landscaped. Wrap 25th. May.

At the same time it is also information for the art department that something like this will be implemented there.

Hello everyone,

we have 3500 eur in our budget for this, but we are saving on location hire costs, so we can cover this without being over.

Can I confirm it to the company? They need to know today by the noon.

Also I will start today with finding someone for the landscaping.

Thank you.

Ahoj Dusan,

zavazne si objednavame stavbu mobilnej cesty pod zeriav v lokalite Sranecke piesky / Plavecky Mikulas, podla poziadaviek, ktore ti posielal kolega Dusan Legersky.

V prilohe posielam tvoju CP a materialy od Dusana.

GPS lokacie: https://maps.app.goo.gl/HsM7P2DcboJuc3wXA

Instalacia cesty musi prebehnut 21.5., tak aby bola 22.5. uz pripravena na priparkovanie zeriavu.

Budete radsej potrebovat absolovovat predtym nejaku obhliadku? Budem hladat niekoho na vyrovnanie terenu, bolo by mozno fajn ak by sme sa tam isli vsetci spolu pozriet - ja, ty, Dusan, dotyčný co bude zrovnavat teren, aby sme si povedali co treba.

Kolega dnes vystavi interne objednavkove cislo, ktore ti zasleme do textacie vasej faktury, vo fakture musi byt taktiez uvedeny nazov projektu - AFTERBURN.

Prosim o potvrdenie.

Dakujem pekne.

Vzhledem k tomu že samotná asfaltová silnoce je HERO SET, bych poprosil aby tam byl někdo za ART department abychom úpravami nezničili něco co bude hrát

Díky
