Hello,

please find the CE for the skylights blackout in Matadorka.

Definitely, we are going to paint the skylights from the outside.

Regarding the information from the location manager Patrik Horváth it is already allowed.
And the owner doesn't demand to return all the painted skylights to the original.

As soon as the weather condition are suitable and the skylights dry out, we could start.

Please, let us know, so we can start as soon as possible.

Thanks,

J.

Ahoj Peto,

tuto položku sme v budgete nemali. Ale ok, zahrnieme. Momentálne do neho bohužiaľ nevieme pridávať veci, keďže je vypnutý... ale poznačime a pridáme, keď sa to doriesi...

Dakujem.
