Hello Thane,

yesterday I was informed by my colleague Robert Sohajda that we should probably strengthen the security at the location due to the backup locomotive space for the LED and blue screen so it's parked outside), we are contracted to guard it with at least one security guy. In addition, there are LED screens guarded due to our move from Sladkovicovo after the wrap today. Also, we suggest adding one guy for unit base on Thursday next week while the (EXT Train Tracks) and one guy on Friday to guard the wrap of LED screens.

Is it OK to strengthen the security this way? The additional security is marked in orange cells:

In total we would need 5 additional security, the cost would be 660 EUR (to guard the locomotive, on Thu 13/6 we already added one guy, on Fri 14

Please advise.

Thank you.
